

QuitlineNC Receives Praise

Here are some of the compliments shared by program participants with quit coaches in 2013 - 2018.

Alamance County

“If it wasn’t for you guys, I honestly don’t think I would’ve been able to do this. You guys giving me those patches – step one, two and three – really let me do this. That means the world to me.” J.W.

“I have been quit for over three months and I want you to know that when I quit my health improved and I feel so much better. I just wanted to thank you for all your hard work. I appreciate it and know others do too.” Y.B.

“Thank you for this program. I had been skeptical about calling, but then I heard someone else’s story of quitting through your program, and finally decided to call. It’s helped me think more about the technicalities of quitting, which I don’t think I ever could have done without you. I am sorry I didn’t call sooner!” M.W.

Alleghany County

“This program has been really helpful. I mean you are working with people at all different stages, and the way you help all of us is really incredible. Thank you for all of your help.” S.E.

“I want to say that I know I was not really comfortable setting a quit date in the beginning of the call, but you have made me feel better about quitting. After discussing some ways to cope with my urges, I am feeling much better about quitting and believe that I will be able to.” M.W.

“You guys are awesome. You’re a good coach. I hope all the coaches are as nice and helpful as you Thank you for the ideas, website and support. Thanks for the inspiration. I am really excited about this. I think I can do it!” B.W.

Brunswick County

“I’ve found this call today to be very productive. I smoke regular cigars and I enjoy them, it is the sport of buying them and I enjoy smoking them on the weekends with a cocktail. I thought it was better than smoking cigarettes. Today has been productive because I learned one cigar is equal to six cigarettes. I am in my 60s and I want to enjoy a longer healthier life, so I’d rather not enjoy my cigars, and enjoy life. Thank you for this call today.” H.C.
